- Hires will only be accepted on completion on this hire form, which should be returned to us 7 days before required delivery.
- Minimum charge is one week's hire. Each additional day is charged at 20% of weekly rate. Public holidays are considered additional days and chargeable. All tool components must be returned by 12 noon to avoid being charged an extra day. Hire charges start from date of dispatch from our premises.
- Delivery and collection will be charged to the customer.
- Voltage supply must be 220V.**
- If machine is returned in a damaged/unusable condition, we reserve the right to charge for reasonable repair costs where we believe the damage has been caused by misuse. Lost or stolen parts or machine will be invoiced at the above prices.

Signed on behalf of the Hirer in full acceptance of the Terms & Conditions applicable at time of hire (full copy obtainable on request).
