

A Skellerup Industries Company

Dektite® Nu-lead®

Look! Paint the apron to match the roof colour

No more worries about 'unprotected' lead!

CHECK THE BENEFITS!

- ✓ Won't stain or corrode Zincalume spouting and gutters
The acrylic coated apron significantly reduces lead leaching onto roofs and into gutters, downpipes and waterways.
- ✓ Painted surfaces will last for years
Use any conventional acrylic paint for a great match
- ✓ Fully waterproofs pipes, vents, flues
Comes in a range of sizes – ideal for any penetration on a tile or slate roof
- ✓ Quick & easy to fit
You'll flash it faster and easier with Dektite Nu-Lead
- ✓ Ten year warranty
Just fit it and forget it – we've got you covered
